## ABOUT

The 8 Consulting team combines the experience and knowledge of Big 4 Consulting with the adaptability of a Small Business. With over 10 years of experience within the Department of Defense, providing Program Management, Project Management, Systems Engineering and Information Assurance support to numerous Program Management Offices within the Military Health System. 8 Consulting has specialized in Federal Health Information Technology initiatives and represents an emerging presence in management consulting for the space. The 8 Consulting team has a proven track record in advising the government for initiatives both internal and external to the DoD to include data sharing projects with the Department of Veteran's Affairs (VA) and the Department of Health and Human Services (HHS).

## SERVICES

8 Consulting is experienced in numerous environments within the Department of Defense. A wide range of experiences include Health Information Exchanges between Federal and Commercial Partners, management of legacy applications and supporting the deployed systems inside a Theater of Operations.
